## References

### References

- The Nominated Teacher needs to provide the names and contact details of **two referees** who may be contacted during this process.
- The choice of a referee is important. Referees should be capable of judging the Nominated Teacher's competence and potential as a candidate and/or **leadership ability**.

### Verbal supporting statements

The Principal or HOD and the Nominated Teacher will be contacted separately, by telephone for a statement also.

## Wāhanga Tuarua Section Two: School or Science Department Response

*This person should be one of the senior management team and not one of your referees.*

Name and Designation of the person completing this form:

1. If you are part of a cluster of schools or Community of Learning that is applying, please list the other schools.

2. What does your school / science department hope to gain from participation in the Science Teaching Leadership Programme? What does your school hope to gain from your nominated teacher working alongside science and research organisations?

3. What is your vision for science for your students, school(s) and community?

4. How does your school demonstrate its commitment to Te Tiriti o Waitangi in teaching and learning? How could the Science Teaching Leadership Programme extend this?

5. What qualities does your nominated teacher have that would make them an effective leader in science? Please provide demonstrated leadership examples.

6. Is there an area of science which would be of particular interest or benefit for tauira at your school and if so, what is it?

7. In what ways has the school made a commitment to enhancing its science programmes to date?

8. If your school has special circumstances relevant to this application, please outline this below.

## Wāhanga Tuatoru Section Three: Nominated Teacher Response

*To be completed by Nominated Teacher. If the school's application includes more than one Nominated Teacher, each teacher must provide an individual response.*

### 1. What makes you an ideal candidate for the Science Teaching Leadership Programme?

### 2. What do you hope to gain from the Science Teaching Leadership Programme for your taura, peers and community?

3. How do you honour Te Tiriti o Waitangi in your teaching practice? How do you think this programme could develop your knowledge and skills further?

4. Why do you consider yourself to be an effective teacher? Please provide examples.

5. What qualities do you consider yourself to have that will make you an effective leader? Please provide demonstrated leadership examples.

6. What is your community involvement outside of your kura? Do you have any other roles / responsibilities?

7. Outline your intended career plan for the next five years.
