Minutes:
1. Introductions
2. Roundtable – science reform: implications for ORCID
   A lot of changes coming up. Expect ORCID to be a low priority.
3. Actions from last meeting
   Accept minutes from last meeting. Actions from last meeting don't need to be discussed.

4. Update from Royal Society Te Apārangi
   a. ORCID promotion at eResearch Conference
      - Tifany attended the eResearch conference in Christchurch and gave an ORCID presentation.
      - Built new relationships and engaged in productive discussions

CCDHB – Capital and Coast District Health Board, CONZUL – Council of New Zealand University, Librarians, GDPR – General Data Protection Regulation, HRC – Health Research Council of New Zealand, IRANZ – Independent Research Association of New Zealand, ITPs – Institutes of Technology and Polytechnics, MBIE – Ministry of Business, Innovation and Employment, MRINZ – Medical Research institute of New Zealand, NZRIS – New Zealand Research Information System

- Visited Lincoln University and presented ORCID to a well-represented group within research leadership.
- Lincoln University presented their work on integrating OJS with ORCID.
  b. NZ ORCID Consortium Drop-in Event
    - Opportunity for members to drop in and chat
    - Offered every 4 months
  c. Support to consortia members
    - Continuing to support consortium members, especially with ORCID Hub.
    - E.g., Auckland Museum: one-on-one tutorials to help set up and use ORCID Hub.
  d. New ORCID work types
    - ORCID released new humanities and arts worktypes which will allow many more research contributions to be included
    - Need to update NZ ORCID hub with the new worktypes
5. New technical support for ORCID hub maintenance required: we've engaged an alternative provider.
6. Terms of Reference for the NZ ORCID Consortium advisory committee
    - Current Terms of reference expired in December 2024 and we need to refresh it.
    - Suggest to renew until end of current contract.
    - Consider chair role: Marie endorsed to continue as chair.
    - "A representative from the Māori and Pacific research sector": Proposed a separate Pacific representative.
    - Is there an international template?
    - Proposed to change from "have a representative from funding agency" to "agencies". TEC representative would be helpful.
    - Note that MBIE reports are annual.
    - Action: Suggest we come back with changes at next meeting or earlier.
7. Updates on NZRIS (Angela Hannah)
    - Last meeting's action done: Update to Minister on ORCID was brought up to investment team.
    - Symplectic Elements/Digital Science (subscription service) proof of concept done. Minister agreed to go ahead with full build.
8. Any other business
   Action – New advisory committee member: EIT appointed a head of research, Dr Sally Rye, Patrick Lander is passing over to her for the next meeting.
9. Next meeting dates
   Propose September 2025:
   Action: Tifany to send out a doodle poll to set a date closer to time

Thanks to the Advisory Committee from Roger.
