Le prix sera accordé annuellement pour **une contribution importante** à la connaissance du rôle de la présence française ou de la langue et la civilisation françaises dans le développement des aspects historiques, intellectuels, scientifiques, économiques ou autres de la culture mondiale, **la préférence étant donnée, mais non pas exclusivement, à la région du Pacifique.**

Le prix sera réservé à des ressortissants néo-zélandais ou à des personnes domiciliées en Nouvelle-Zélande.

Le lauréat sera choisi par un représentant respectivement de l'Ambassade de France en Nouvelle-Zélande, de la Fédération des Alliances Françaises de Nouvelle-Zélande Inc., et des Départements universitaires néo-zélandais enseignant le français, lesquels pourront décider de surseoir à l'allocation du prix pour une année, si les circonstances ne le justifient pas.
